

Behaviour Decision-Making Matrix

All outcomes of behaviour are at the discretion of the Head Teacher.

All students requiring to be in the LRC will also be set a 60-minute correction, this will be on the same day if safe journey home can be assured.

Pupils who enter the LRC after break are likely to be admitted the next day also. LRC is the Learning Recovery Centre.

Referral to AHT Pastoral will mean consideration of whether a more serious consequence is appropriate. This could include suspension or permanent exclusion.

The outcomes below are the usual outcomes. There may be another outcome if warranted including for persistent behaviours.
